

LATEST NEWS – MARCH 2010

Life at St Andrews Beach Golf Course (SAB) has been more than just about the golf. We are currently upgrading our facilities to make your golfing experience more enjoyable and rewarding. One example of our progress is the upgrade of the car park making your arrival at the course smoother and less dusty. We have created a bitumen loop for you to drop your bag which then runs through to the 1st tee.

After patiently waiting for over 4 months SAB have also been granted their liquor license so you can now enjoy a beverage during and after your round. Catering options are available for groups so please speak with one of the golf staff to discuss this option when you call to make your booking.

Our recent purchase of even more golf carts will please those who wish to play the course in style in our fleet of Yamahas. Please ensure you advise staff if you are interested in hiring a cart as even though we have added to our fleet they are in high demand and we will do our very best to accommodate.

A new practice putting green and short game area has been developed to improve your game and confidence. The undulating green reflects those out on the course and will make a great start point before you hit off for the day. Every advantage is crucial for a great day out.

About the Golf...

Starting shortly competitions will be run on Wednesday and Saturday's please advise the golf staff if you wish to be part of this new initiative when you book your next round. We welcome everyone to be part and all you'll be the envy of everyone when you win the competition prizes.

Don't let the sun going down stop you from playing afternoon golf; we still have our special price categories starting from 12 midday and 3pm, effective from April 4, 2010. Talk to one of the golf staff when you contact us next or check out our [Green Fees](#) page for more information.

Events coming up:

- [Monthly Challenge schedule](#) (pdf, 44kb's).
- [Seniors Days](#) (pdf, 47kb's)
- [Tom Doak Back Tee Challenge schedule](#) (pdf, 62kb's).

Register for these events with the golf staff on 5988 6000 or go to [Bookings Online](#).

*** The best stableford score over the season will win a set of Titleist AP2 Forged Irons. Best gross score over the season will win a new Titleist Staff Bag.**

Into the future at St Andrews Beach

We like to think nothing stands still at SAB so we are trying to ensure there is something different and more exciting about the facility to make your return visit even more enjoyable than the last.

The WOW factor at St Andrews Beach starts on the 1st tee and in next month we will be upgrading it. Currently the wear and tear requires us to rest the turf which results in many players missing out on that magnificent first tee shot but by extending the teeing area the vista from the first hole will be experienced a lot more often for our golfing visitors.

The bitumen on the driveway is only the start for the course's paths upgrade the intention will be to create better cart paths throughout the facility whilst maintaining the integrity of the original design to ensure the course is looked after and for everyone's enjoyment throughout the year.

We are also planning on building an outdoor BBQ area for those larger groups wishing to stay around for a hearty feed after their round, St Andrews Beach will even supply the plastic cutlery and plates! Of course catering options will be available for you to purchase but BYO bbq's will also be welcomed. A full brief on this upgrade including finishing time will be sent out soon.
